Lead horse (trace horse)

Line spreaders

Clip trace of lead horse to D-ring
stitched strongly to billet keeper strap
if harness has snap-on breast strap
(not shown).

Attach heel chain of lead horse
to ring on hame clip of wheel
horse if harness has pole strap
(as shown).

Strong cables in place of heel
chains result in a quieter
sound and more polished
appearance.

Lead horse may have long luzzy
straps in lieu of full brichens.
